

# BUSINESS, ASSOCIATE OF SCIENCE DEGREE

**Banner Code:** 3\_AS\_BSNS

**Control Number:** 23043

## Financial Aid Eligible

The Business degree is designed to prepare students for employment at or promotion within a small, medium, or large firm in a variety of capacities and across industries. Graduates will be well-versed in business terminology, business functions, communication, planning, organizing, and decision-making. Coursework exposes students to the fields of marketing, human resource management, operations and manufacturing, accounting, and finance, as well as other niche professions in business. Students may select specific elective courses to meet their professional educational goals. The courses in the program allow for further career and industry research.

## Program Level Student Learning Outcomes

Upon completion of this program, students will be able to:

1. Develop and exhibit high standards of professional practice, demonstrating awareness of ethical and social responsibilities in today's multicultural, team-oriented, rapidly-changing global environment.
2. Analyze and recommend effective business decisions/solutions using a systematic, evaluative, and data-driven approach.
3. Effectively communicate solutions to business problems using appropriate business terms and strategies.
4. Formulate strategies that embrace diversity within organizations and create inclusive organizational cultures.

Review Graduation Requirements (<https://catalog.cccd.edu/coastline/graduation-requirements/associate-degree/>) and General Education (<https://catalog.cccd.edu/coastline/general-education/>).
