SUCCESSFUL ONLINE LEARNING, CERTIFICATE OF COMPETENCY

Banner Code: 3_NCG_SOL2
Control Number: 42323
Not Financial Aid Eligible

This award confirms that a student has completed a noncredit program that prepares students to progress in a career path or to take degree-applicable courses.

Program Level Student Learning Outcomes

Upon completion of this program students will be able to:

1. Explain the basic framework of online learning and navigate and use the basic features of key technology tools for online learning, including the learning management platform and videoconferencing software.
2. Demonstrate soft skills that support successful online learning-understanding of academic expectations, online academic communication, basic information literacy, time management, and online study skills- within the context of the course structure.
3. Identify and connect with comprehensive online resources outside of the classroom environment (e.g. Distance Learning Department, Canvas Support, etc.) as needed to continue to support their success after the conclusion of the program.

This award confirms that a student has completed a noncredit program that prepares students to progress in a career path or to take degree-applicable courses.
