

# ENGLISH CAREERS IN ESPORTS, CERTIFICATE OF COMPETENCY

---

Not Financial Aid Eligible

Banner Code: 3\_NCI\_EES

Control Number: 40476

Consisting of three tuition-free noncredit courses, this certificate is designed for students who wish to pursue a career within the esports ecosystem. Students in COUN C095N College and Career Preparation 2 will explore different careers, majors, and areas of interest. They will also be introduced to programs of study at Coastline College, General Education Options, and Transfer Requirements. Students will use interest and personality assessments to assist with major identification. Students in ENGL C060N Introduction to English Careers in Esports will learn about the history of and current trends within the industry related to English. The primary focus of this class is exploring the different careers within the esports ecosystem one with an English degree can obtain. Students in ENGL C065N Technical Writing will learn the different methods and styles of communication within the vocational, corporate, and professional worlds. Students can expect to learn how to write precise and organized language that is audience-oriented and communicate complex information clearly.

## Program Level Student Learning Outcomes

Upon completion of this program students will be able to:

1. Identify career options within the gaming and esports industries one may obtain with an English degree.

This award confirms that a student has completed a noncredit program that prepares students to progress in a career path or to take degree-applicable courses.
