The sequence of classes leading to the Associate in Arts in Spanish for Transfer Degree helps the students develop proficiency in Spanish and provides them with the intercultural sophistication necessary to function comfortably and effectively in a Spanish-speaking environment. Courses are designed to develop the students' speaking, reading, writing, and listening skills, as well as provide a general overview of Spanish-speaking cultures around the globe.

Associate Degrees for Transfer (AA-T or AS-T) are open to all Coastline students. Students who do not plan on transferring to a California State University school should consult their Counselor regarding the benefits of an AA-T/AS-T degree based on their goals. Students earning an AA-T or AS-T and intending on transferring to a California State University school receive transfer admission benefits for specific majors at many California State University campuses. Visit the Transfer Information (<https://catalog.cccd.edu/coastline/transfer-information/>) catalog page for more information.
