

POLICIES AND REGULATIONS

Community Standards for Student Behavior

Student Code of Conduct BP/AP 5500

The primary purposes of this Student Code of Conduct is to support and protect Students to ensure their academic and personal success throughout their attendance at any of the Colleges within the District. In addition, this Student Code of Conduct intends to educate Students about rights, responsibilities, and violations under the Student Code of Conduct and its consequences. This Student Code of Conduct includes a defined process for the fair and impartial review and determination of alleged improper Student behavior. This Student Code of Conduct also specifies the various sanctions that may be imposed on District Students for violations of the Student Code of Conduct. Students are expected to be familiar with the terms of Board Policy 5500 and this Administrative Procedure 5500 Student Code of Conduct.

Visit the Coast Community College District website, Student Services Board Policy webpage (<https://www.cccd.edu/boardoftrustees/BoardPolicies/Student-Services.cfm>) for the complete BP/AP 5500

Academic Freedom Statement

Coastline College recognizes the free search for truth and the expression of diverse opinions are essential to a democratic society and encourages and protects academic freedom as per Coast Community College District Board of Trustees policy number BP 4030 (https://www.cccd.edu/_assets/documents/board/BP/BP_4030_Academic_Freedom.pdf).

Academic Renewal Policy and Procedure

This Academic Renewal Policy (BP 4240 (https://www.cccd.edu/_assets/documents/board/BP/BP_4240_Academic_Renewal.pdf)) and Procedures (AP 4240 (https://www.cccd.edu/_assets/documents/board/BP/AP_4240_Academic_Renewal.pdf)) for Coastline College is issued pursuant to Section 55040 of the California Administrative Code (Title 5) regulations. The purpose of this policy and procedure is to disregard past substandard academic performance of a student when such work is not reflective of their current demonstrated ability. It is based on the recognition that, due to unusual circumstances or circumstances beyond the student's control, the past substandard work will negatively affect their academic standing and unnecessarily prolong the rate at which they complete their current objectives. Academic renewal is intended to facilitate graduation from a College in the District or enable qualified students to transfer to a four-year college or university.

Therefore, under the specific circumstances outlined below, Coastline College may disregard from all consideration associated with the computation of a student's cumulative grade point average (GPA) up to a maximum of thirty (30) units of course work taken at any College in the District for graduation and transfer purposes only. These circumstances are:

1. The coursework to be disregarded is substandard (grades of D, F, or NP). If approved, the selected coursework shall be disregarded in that semester, except those courses required as a prerequisite or to satisfy a requirement in the student's current declared program of study.
2. A minimum of 15 semester units has been completed at any regionally accredited college or university with a cumulative GPA of

at least 2.0 in all course work subsequent to the course work to be disregarded.

3. At least 12 months have elapsed since the most recent approved request for academic renewal.
4. Academic renewal cannot be reversed once it has been granted.
5. A student may request academic renewal a maximum of two times district-wide during enrollment at the Colleges in the District.

All coursework will remain legible on the student's permanent record (transcript), ensuring a true and complete academic history. However, students' permanent records will be annotated so that it is readily evident to all users of the records that the units are to be disregarded. This notation will be made at the time that the academic renewal has been approved by the appropriate College office.

If another accredited college has acted to remove previous course work from consideration in computing the GPA, such action shall be honored in terms of its Procedure. However, such units disregarded shall be deducted from the 30 units maximum of coursework eligible to be disregarded at a College in the District Procedures and procedure is the responsibility of the appropriate College official, who may, for compelling reasons, make exceptions to the stated conditions provided that there is compliance with the applicable requirements of Title 5.

The Admissions and Records and Counseling departments at the Colleges in the District are responsible for implementing this Procedure.

Note: It is possible that other colleges or universities may not accept the Academic Renewal Policy.

Study Load

The average student carries a 15-unit full academic load during a semester at Coastline College. This load requires most students to spend 40-45 hours each week preparing for and attending classes. The College recommends that entering freshmen carrying a full academic load (15 or more units) plan to work no more than 12-16 hours each week. Students who have a poor high school record – below a "C" average – probably should work no more than 6-8 hours each week. No CCC student may carry more than 19 units during a semester, 9 units during summer, or 6 units during intersession without the permission of the CCC Director of Enrollment Services. This maximum applies to the combination of all units in which the student enrolls per semester/term in the Coast Community Colleges (Coastline, Golden West and Orange Coast).

Remedial Coursework Limits

No more than 30 semester units of course credit may be assigned to a student for remedial coursework except when the student is enrolled in one or more course in English as a Second Language or is identified as having a learning disability. This limit may be waived if the student can show significant and/or measurable progress toward the development of skills appropriate to enrollment in college-level courses. Student needing remedial instruction beyond the course credit restrictions set forth in this section shall be referred to appropriated non-credit adult basic education programs conducted by an adult school.

Animals and/or Pets

Animals and/or pets of any kind or description are not allowed on or within college property. This restriction also applies to animals and/or pets confined in any vehicle parked on College property. This does not apply to the use of guide, signal, or service dogs for assisting persons

with disabilities. (See Board Policy /Administrative Procedure 3440 Service Animals.)

Enrollment Priorities

Coast Community College District (CCCD) uses a fair and equitable process to provide students access to courses and programs in pursuit of their educational goals, within the resource limits of the institution and in accordance with Education Code and Title 5 provisions and Board approved AP 5500 (https://www.cccd.edu/_assets/documents/board/BP/AP_5500_Student_Code_of_Conduct.pdf) Enrollment Priorities. Effective January 14, 2016 priority registration will follow the framework established by BP 5505 and AP 5505.

Recognizing that not all students can be first to enroll, CCCD provides priority registration for students who enroll in one of the district colleges for the purpose of degree or certificate attainment, transfer to a four-year college or university, or career advancement. Furthermore, CCCD provides an opportunity for earlier registration for students who maintain good academic standing and have not exceeded 100 earned degree-applicable units across the three colleges in the district.

Title 5 Sections 51006, 55031, 55524(b)2, 58106, 58108.

Family Educational Rights and Privacy

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. The rights include:

1. The right to inspect and review the student's education records within 15 days of the day Coastline receives a request for access. Students should submit to the Director of Admissions and Records, or appropriate official, written requests that identify the record(s) they wish to inspect. The Coastline College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Coastline College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes are inaccurate. Students may ask Coastline College to amend a record that they believe is inaccurate. They should write the College official responsible for the records, clearly identify the part of the record they want changed, and specify why it is inaccurate.
If Coastline College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such

as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

4. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

School officials may disclose any and all educational records, including disciplinary records, to another institution at which the student seeks or intends to enroll without the prior consent of the student.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Coastline College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW

Liability

Throughout the academic year, some classes will meet at off-campus locations. The College will not provide transportation to these sites, and students enrolled in these classes are responsible for making their own transportation arrangements. Coastline personnel may assist in coordinating this transportation and/or may recommend travel time, routes, carpooling, etc.; however, the student does not have to follow these recommendations. The Coast Community College District (CCCD) is in no way responsible, nor does it assume liability, for any injuries or losses resulting from this non-sponsored transportation. If you ride with another student, that student is not an agent of or driving on behalf of the District.

Under the California Code of Regulations, Subchapter 5, Section 55450, if you participate in a voluntary field trip or excursion, you hold the CCCD, its officers, agents and employees harmless from all liability or claims that may arise out of or in connection with your participation in this activity.
