

TRANSFER CENTER

Coastline's Transfer Center will help you prepare for transfer to earn your B.A./B.S. degree! We work with you to navigate and understand the myriad of transfer options and information from the UC, CSU, private and out-of-state schools through the following services and tools: exploring and researching majors and degrees, identifying the appropriate major preparation courses using assist.org (<https://www.assist.org/>), and career paths and transfer options through Eureka.org (<https://www.eureka.org/>); step-by-step assistance in completing applications to the CSU, UC, private and out-of-state institutions, assistance with starting an awesome Personal Statement/Narrative, and access to scholarships and financial aid information. The Transfer Center schedules workshops on a number of transfer-related topics throughout the year. We also offer Transfer Fairs in the fall and spring semesters. The Transfer Fairs are students' opportunity to meet with over 50 university representatives. We conduct university tours to CSU Fullerton, UC Irvine, CSU Long Beach, UCLA, UC San Diego, USC, and more! Students are encouraged to participate to get a "feel of a campus." The best part: the tours are free! Contact the Transfer Center to streamline your transition from Coastline to the CSU, UC, CA private institutions, and out-of-state schools. Check-out all Transfer services, events, and workshops at the Coastline Transfer Center webpage (<https://www.coastline.edu/becoming-a-student/transfer-students/transfer-center.php>).
