Course Description

Designed as a continuation of ART C122. For the intermediate and advanced painting student, this course emphasizes creative and interpretive expression in oil, acrylic painting, and non-traditional media. Includes awareness of the creative process, exploration of historical and contemporary issues in art, and advanced artistic concepts. ADVISORY: ART C122. Transfer Credit: CSU; UC.

Course Level Student Learning Outcome(s)

1. Create an original painting utilizing knowledge and techniques gained from the course.
2. Critique original paintings utilizing appropriate terminology and concepts.

Course Objectives

- 1. Describe the historical, social and emotional factors related to the art of painting.
- 2. Identify and differentiate a variety of imagery, usage of color, application of paint, gesture, value contrast and techniques associated with painting.
- 3. Demonstrate understanding of advanced concepts involved in composing shapes in space.
- 4. Create original paintings showing an original personal vision.
- 5. Evaluate, both verbally and in writing, the work of others in critiques.
- 6. Demonstrate competency in writing and speaking about the students own work.
