

BCI C281: WORK EXPERIENCE EDUCATION

Item	Value
------	-------

Course Description

The purpose of this course is to enhance each Work Experience Education (WEE) participant’s job skills by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal. Note: 54 hours of paid or unpaid work in Building Codes and related fields, for each one-semester credit. This course aligns with updates to California Education Code (Title V) related to work experience education, revised August 2023. Transfer Credit: CSU.
