

BCI C282: WORK EXPERIENCE EDUCATION

Item

Value

Course Description

The purpose of this course is to enhance each work experience education (WEE) participant's job skills by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal. Note: 54 hours of paid or unpaid work in Building Codes and related fields, for each one-semester credit. This course aligns with updates to the California Education Code (Title V) related to work experience education, revised August 2023. Transfer Credit: CSU.
