Course Description

This course examines current issues and social problems relating to the administration of justice in a culturally diverse society. It focuses on the cross-cultural contact that criminal justice professionals have with citizens, victims, suspects, and coworkers from diverse backgrounds. The course emphasizes law enforcement's responsibility to develop a better understanding of cultural differences and respect toward those of different backgrounds. Topics include prejudice in law enforcement, hate crimes, jury bias, racial profiling, disparate treatment in prisons, and terrorism/homeland security considerations. Transfer Credit: CSU. C-ID: AJ 160. C-ID: AJ 160.

Course Level Student Learning Outcome(s)

1. Given a field assignment, apply fundamental concepts of tolerance and diversity to law enforcement interaction within a multicultural community.
2. Given a case scenario, evaluate basic ways in which law enforcement can demonstrate cultural awareness, understanding, and respect toward varied religious groups.
3. Given a case study, examine community response strategies to reduce hate crime incidents.
4. Given a case study, explain how the influences of culture, race, and ethnicity impact law enforcement and the communities they serve.

Course Objectives

- 1. Recognize the implications of a multicultural society for the criminal justice professional
- 2. Define the concepts of human relations and sensitivity training as they apply to criminal justice practitioners.
- 3. Define key issues of history, communication styles and stereotypes of diverse groups.
- 4. Explore ways to improve relationships between law enforcement personnel and minority communities.
- 5. Explain urban dynamics theories that attempt to explain hate crimes.

- 6. Describe how changing images of law enforcement can influence the work culture.
- 7. Discuss examples of racially discriminatory courtroom treatment in American history.
- 8. Evaluate why disparate treatment occurs in U.S. correctional facilities.

Method(s) of Instruction

- Lecture (02)
- DE Online Lecture (02X)

Instructional Techniques

Instructor will utilize lecture, case studies, simulations, flash cards, DVD/ videotaped scenarios, computer generated presentations, web-based information distribution, and facilitate classroom discussions.

Reading Assignments

Students will complete assigned readings from course textbook and other materials, such as case studies, that will be made available online or distributed by the instructor.

Writing Assignments

Students will submit reports based upon an analysis of relevant legal briefs. Final examination will be written responses to selected position papers relating to different cultural and ethnic groups, as well as ways to improve relationships between criminal justice personnel and minority communities.

Out-of-class Assignments

Students will do the required course reading, study for quizzes and the final examination, and prepare reports based upon relevant legal briefs.

Demonstration of Critical Thinking

Students will demonstrate critical thinking through the analysis of samples of cultural problems, ethical issues, societal bias and discrimination and important U.S. Supreme Court decisions dealing with civil rights and equal protection.

Required Writing, Problem Solving, Skills Demonstration

Students will complete essays demonstrating an appreciation of the multicultural nature of society and the diversity of communities. Students will also analyze law case briefs related to important U.S. Supreme Court decisions dealing with civil rights and equal protection.

Eligible Disciplines

Administration of justice (police science, corrections, law enforcement):
Any bachelors degree and two years of professional experience, or any associate degree and six years of professional experience.
