## Method(s) of Instruction

- Enhanced NC Lect (NC1)
- Online Enhanced NC Lect (NC5)
- Live Online Enhanced NC Lect (NC9)

## Instructional Techniques

Lecture Independent study Individualized feedback on student work Group and pair activities Discussion Feedback/evaluation of skills practice Demonstration/Presentations Guided reading activities

## Reading Assignments

Approximately 2-4 hours a week will be spent on specific reading assignments to formulate paragraphs leading to an essay. Students will read assigned readings to inform their writing and will read research articles (through the OCC Library database) to complete their final essay.

## Writing Assignments

Approximately 2-4 hours a week will be spent on developing the components of a well-developed essay: hooks and topic sentences, background information based on synthesizing research, supporting points, and concluding sentences for each paragraph.

## Out-of-class Assignments

Approximately 2-4 hours per week will be spent on outlining, developing, revising, and editing paragraphs leading to the essay based on reading assignments, including research.

## Demonstration of Critical Thinking

Critical thinking skills will be demonstrated by analyzing and summarizing the content in a given reading in a well-developed, coherent essay.

## Required Writing, Problem Solving, Skills Demonstration

Problem solving skills will be developed and demonstrated by identifying and developing the appropriate organization of an essay using the necessary components (topic sentence, background information, thesis statement, supporting ideas, and concluding sentence) through various written drafts demonstrating understanding of credible and reliable research sources.
