Course Description

This is an intensive reading, writing, and grammar course for high-beginning level non-native English speakers who are preparing for college coursework. This course provides practice in reading and interpreting short reading passages, writing sentences in the simple, progressive, and perfect past and present tenses, and writing short paragraphs. ADVISORY: Students who have completed ESL C022N Reading, Writing, and Grammar 1B with a Pass are encouraged to enroll in this course or new students are advised to complete the ESL placement process to determine their initial placement. Noncredit. NOT DEGREE APPLICABLE. Not Transferable.

Course Level Student Learning Outcome(s)

1. Given a simplified text, identify the main idea and supporting details.
2. Express original ideas in appropriate, grammatically-correct sentences in response to level-appropriate readings in academic and real-world settings.

Course Objectives

- 1. Identify the main idea and supporting details of a simplified text.
- 2. Write original ideas using appropriate grammar and studied vocabulary
- 3. Interpret familiar vocabulary in a new context.
- 4. Evaluate supporting details and differentiate between facts and opinions in level-appropriate reading passages.
- 5. Write a short paragraph with a main idea and at least three supporting details.

Lecture Content

Method(s) of Instruction

- Enhanced NC Lect (NC1)
- Live Online Enhanced NC Lect (NC9)

Instructional Techniques

Class sessions may include short lectures and discussions, interactive role-play exercises and tasks in pairs and small groups, sentence completion and sentence and paragraph writing exercises, individual and small-group text analysis exercises, and interactive multimedia presentations.

Reading Assignments

Students read selections to answer comprehension questions about these reading passages. Students read text to prepare for class discussion and small-group exercises. Students read model paragraphs to become familiar with American English patterns of paragraph organization.

Writing Assignments

Students write original sentences and short paragraphs in response to prompts following assigned reading selections. Students write sentences and basic paragraphs on personal and academic topics.

Out-of-class Assignments

As homework, students may research class-related topics on the Internet, using resources from the Coastline Library, as needed, and report on these topics as part of the preparation for an academic paragraph-writing assignments.

Demonstration of Critical Thinking

Students synthesize and summarize pages of text and analyze affirmative and negative statements in reading passages. They also interpret vocabulary in new contexts.

Required Writing, Problem Solving, Skills Demonstration

As part of the midterm and final examinations, students write original sentences and short paragraphs in response to prompts. Students analyze a reading passage, paraphrase the main idea, and list supporting details.
