Course Description

The history of world civilizations from the earliest beginnings to the 17th Century, giving a general outline of political, social, economic, and cultural institutions. Enrollment Limitation: HIST A161; students who complete HIST A161H may not enroll in or receive credit for HIST A161. Transfer Credit: CSU; UC. C-ID: HIST 150. **C-ID:** HIST 150.

Course Level Student Learning Outcome(s)

- Students will display the ability to develop and persuasively argue a historical thesis in a written assignment that identifies and explains major social, economic, political and/or cultural historical themes or patterns that are relevant to the course geographic area and timeline of study.
- Students will evaluate thematic change over time between human origins through 1600CE involving the formation, expansion and contraction of human societies throughout world history.
- Students will analyze the impact of peoples and their political ideologies, religions and technology from one geographic region and its peoples upon other peoples of other geographic regions over time, from human origins through 1600CE.

Course Objectives

1. Demonstrate the ability to interpret primary and secondary sources and to compose an argument which uses them, as appropriate, for support.
2. Analyze broad patterns of change on both interregional scales and within complex societies.
3. Demonstrate an understanding of civilization through multiple analytical categories such as race, class, gender and ethnicity.
4. Explain ways in which the world's physical and natural environment has affected and been affected by developments in human history.
5. Analyze ways in which human groups have interacted with one another, including trade, migration, warfare, cultural exchange, and biological exchange.
6. Compare distinctive forms of political, social, and economic organization in the world and explain their historical significance.
7. Identify major discoveries, inventions, and scientific achievements and explain their historical significance.
8. Explain the historical significance of cultural developments such as art, music, architecture, literature and religion.
9. Compare ideals, practices, and historical developments of major belief systems.
10. Analyze historical developments across national, regional, and cultural boundaries.

highlight concepts Audiovisual materials to establish historical context
 Discussion—with full class and in small groups Role playing Group
 activities Guest speakers Field trips

Reading Assignments

Students will read 1-2 textbook chapters and related primary/secondary source material per week. (54 hours total)

Writing Assignments

Students will write essays in which they apply appropriate historical information in answering questions related to the course objectives/student learning outcomes. Students will interpret primary and secondary sources and compose an argument which uses them, as appropriate, for support. (27 hours total)

Out-of-class Assignments

Students may be assigned homework to help them develop and/or assess their ability to Derive pertinent information from assigned readings Prepare for class discussion Find appropriate primary/secondary sources through library research Interpret primary/secondary sources correctly Manage the steps of a research project (27 hours total)

Demonstration of Critical Thinking

Students will write essays in which they apply appropriate historical information in answering questions related to the course objectives/student learning outcomes. Students will write an essay/report in which they interpret primary and secondary sources and compose an argument which uses them, as appropriate, for support.

Required Writing, Problem Solving, Skills Demonstration

Students will write essays in which they apply appropriate historical information in answering questions related to the course objectives/student learning outcomes. Students will write an essay/report in which they interpret primary and secondary sources and compose an argument which uses them, as appropriate, for support.

Eligible Disciplines

History: Masters degree in history OR bachelors degree in history AND masters degree in political science, humanities, geography, area studies, womens studies, social science, or ethnic studies OR the equivalent. Masters degree required.

Textbooks Resources

1. Required Bentley, Jerry, Herbert Ziegler. Traditions Encounters, Volume 1, From the Beginning to 1500, 6th ed. New York: McGraw-Hill, 2015 2. Required Duiker, William A., Jackson J. Spielvogel. The Essential World History, Volume 1: To 1800, 8th ed. Boston: Cengage Learning, 2016 3. Required Fernandez-Armesto, Felipe. The World: A History, Volume 1, 3rd ed. New York: Pearson, 2016 4. Required Hansen, Valerie, Ken Curtis. Voyages in World History, Volume 1, 2nd ed. Boston: Cengage Learning, 2014
