Method(s) of Instruction

- Lecture (02)
- DE Online Lecture (02X)

Instructional Techniques

This course is classified as a lecture course, but instructors will use a variety of methodologies to help students achieve instructional objectives and student learning outcomes. These may include: Lecture enhanced with Power point, overhead, white board, and/or handouts to highlight concepts Audiovisual materials to establish historical context Discussion with full class and in small groups Role playing Group activities Guest speakers Field trips

Reading Assignments

Students will read 1-2 textbook chapters and related primary/secondary source material per week. (54 hours total)

Writing Assignments

Students will write essays in which they apply appropriate historical information in answering questions related to the course objectives/ student learning outcomes. Students will write an essay/report in which they interpret primary and secondary sources and compose an argument which uses them, as appropriate, for support. (27 hours total)

Out-of-class Assignments

Students may be assigned homework to help them develop and/or assess their ability to Derive pertinent information from assigned readings Prepare for class discussion Find appropriate primary/ secondary sources through library research Interpret primary/secondary sources correctly Manage the steps of a research project (27 hours total)

Demonstration of Critical Thinking

Students will write essays in which they apply appropriate historical information in answering questions related to the course objectives/ student learning outcomes. Students will write an essay/report in which they interpret primary and secondary sources and compose an argument which uses them, as appropriate, for support.

Required Writing, Problem Solving, Skills Demonstration

Students will write essays in which they apply appropriate historical information in answering questions related to the course objectives/

student learning outcomes. Students will write an essay/report in which they interpret primary and secondary sources and compose an argument which uses them, as appropriate, for support.

Eligible Disciplines

History: Master's degree in history OR bachelor's degree in history AND master's degree in political science, humanities, geography, area studies, women's studies, social science, or ethnic studies OR the equivalent. Master's degree required.

Textbooks Resources

1. Required Duiker, William J., Jackson J. Spielvogel. The Essential World History, Volume II: Since 1500, 9th ed. Cengage Learning, 2021 2. Required Hansen, Valerie, Curtis, Ken. Voyages in World History, Volume 2, 3rd ed. Cengage Learning, 2014 3. Required Bentley, Jerry, Herbert Ziegler. Traditions Encounters: A Global Perspective on the Past, Volume 2, 6th ed. McGraw-Hill, 2015 4. Required Fernandez-Armesto, Felipe. The World: A History, Volume 2, 3rd ed. Pearson, 2016 5. Required Adelman, Jeremy. Worlds Together Worlds Apart (Volume 2), 3rd ed. Norton, 2021
