Course Description

Formerly: HIT G103. This course teaches principles of word building to develop the extensive medical vocabulary used in the healthcare environment. It includes the origin, root forms, suffixes, prefixes of medical terms, and an example of non-medical/layperson's usage for each term. It provides instruction in basic medical terminology from an anatomical approach and by each body system. Transfer Credit: CSU. C-ID: HIT 103X.C-ID: HIT 103X.
