Course Description

This course is identical to ECON G135. This course examines the relationship between economics and political science through an international lens. Students will explore a range of topics that bridge the gap between politics and economies by analyzing complex issues that include global disparities, the rise of emerging markets, and the strategic interaction between international actors and policy. Enrollment Limitation: ECON G135; students who complete PSCI G135 may not enroll in or receive credit for ECON G135. Transfer Credit: CSU.
