## Course Description

This course focuses on Community Health Worker Supervisors' (CHW-S) core competencies relating to their role in effectively supervising CHWs and their responsibilities. They will learn how to hire and supervise CHWs, develop effective communication techniques, and address common challenges specifically related to supervising CHWs. ADVISORY: PUBH A001N, PUBH A002N, and PUBH A003N; Prior to transitioning to a supervisor position, it is highly recommended that students have at least two years of experience working as CHWs. Not Transferable.
