Item	Value
Top Code	051100 - Real Estate
Units	3 Total Units
Hours	54 Total Hours (Lecture Hours 54)
Total Outside of Class Hours	0
Course Credit Status	Credit: Degree Applicable (D)
Material Fee	No
Basic Skills	Not Basic Skills (N)
Repeatable	No
Grading Policy	Standard Letter (S), • Pass/No Pass (B)

Course Description

Students will learn the sources of funding for real estate loans including terminology, appraisal for real estate, math for real estate as well as appropriate economic and legal terms. Included are open-end trust deeds, ARM loans, conventional, VA, FHA loans, the secondary mortgage market, the Federal Reserve, discount rates, and construction loans. Qualifying the property and borrower will also be discussed. Transfer Credit: CSU.

Course Objectives

- 1. Given a lending scenario, calculate the debt-to-income ratios allowable, the actual debt-to-income ratios, the income needed to qualify for a desired loan amount, and the loan amount the borrowers qualify for with a given income level and debt level.
- 2. Given a mathematical situation, solve/find the missing variable of a problem when three or four variables are known; find the payment when the loan amount, interest rate, and term are known; find the interest rate when the loan amount, payment, and term are known; find the term when the payment, loan amount, and interest rate are known.
- 3. Describe the difference between a conforming loan and a non-conforming loan and compare and evaluate the difference between a conforming and a non-conforming loan.
- 4. Identify and demonstrate a basic understanding of commonly used terminology in the financing/lending industry, including the Fannie Mae loan application (1003), the Good Faith Estimate, The Truth in Lending disclosures, and various other forms and worksheets
- 5. Describe differences between a government loan and a non-government loan, and compare and evaluate the differences between government insured loans and conventional loans.
