Course Description

This course is identical to MUS G108. This course explores all of the elements which make Musical Theater a major theatrical art form. Emphasis will be placed on the history of the musical and on examining the roles of the composer, librettist, lyricist, choreographer, director, performer, designer, and others relative to creating a musical theater production. Recorded materials and live performances will be utilized to enhance the student's knowledge of the subject. Enrollment Limitation: MUS G108; students who complete THEA G108 may not enroll in or receive credit for MUS G108. Transfer Credit: CSU; UC.

Course Level Student Learning Outcome(s)

1. Course Outcomes
2. Define the categories of musical theater including opera, operetta, vaudeville, minstrel shows, burlesque, musical comedy, revue, musical theater, book musicals, and concept musicals.
3. Describe the historical, social, cultural, and aesthetic constructs that have led to the development of musical theater as a significant art form.
4. Identify the major writers, composers, choreographers, performers, producers and designers who have contributed to the development of musical theater

Course Objectives

- 1. Discuss elements of musical theater (book/libretto, lyrics, score, dance, and design) and how they contribute to character development.
