## Course Description

Formerly: VIET C260. VIET C160 is designed to enrich the communication skills of the Vietnamese bilingual student. The course focuses instruction on improving the communication skills in formal and familiar ways of speaking, reading, using correct grammar, spelling, vocabulary building, and composing. The course explores culture through readings, plays, and films. Class is conducted primarily in Vietnamese. ADVISORY: Native or near-native fluency in Vietnamese recommended. Transfer Credit: CSU.

## Course Level Student Learning Outcome(s)

1. Differentiate between spoken and written language and between formal and familiar Vietnamese linguistic patterns with attention to the orthographic code and mechanics of writing.
2. Demonstrate the techniques of public speaking by engaging in a debate.
3. Compare and contrast the current and historical cultural climate of Vietnam in order to understand the generation gap and tolerate cultural and political differences.

## Course Objectives
