

AUTOMOTIVE LUBE TECHNICIAN SPECIALIST, CERTIFICATE OF COMPLETION

Banner Code: 2_NCH_AUTOL

Control Number: 37279

Not Financial Aid Eligible

This certificate combines Automotive Safety (G002N) and Automotive Lube Technician (G003N) to prepare you to enter the automotive field as an Automotive Lube Technician Specialist. Upon completion of this program, you will be able to safely maintain and change most automotive fluids and perform a comprehensive vehicle inspection which meets industry standards.

Program Level Learning Outcomes

Upon completion of this program, students will be able to:

1. Perform conversions between various units of automotive measurements based on manufacturers specifications.
2. Demonstrate safe lifting practices outlined by manufacturer's service information.
3. Demonstrate proper execution of maintenance service procedures within industry specified labor times.
4. Analyze vehicle concerns and demonstrate proper written record keeping practices (repair order documentation).
