The Associate in Science degree in Business Administration for Transfer is designed to provide students with the common core of lower-division courses required to transfer and pursue a baccalaureate degree in Business Administration. This includes business degrees with options such as accounting, finance, human resources management, international business, management, operations management, and marketing. The Associate in Science degree in Business Administration for Transfer (AS-T Business Administration) aligns with the CSU Bachelor of Science in Business Administration.

Program Level Learning Outcomes

Upon completion of this program, students will be able to:

1. Identify and explain the three major types of business entities by developing an organizational chart, a mission statement, a business plan, and a marketing plan.
2. Identify and explain the laws affecting sole proprietorships, partnerships, and corporations.
3. Identify and develop accounting systems used in sole proprietorships, partnerships, and corporations.
4. Demonstrate the ability to distinguish between leadership and management as they apply to all organizations, private and public, including governmental and educational agencies.

Associate Degree for Transfer Graduation Requirements

Associate Degrees for Transfer require students to meet the following requirements:

- Completion of 60 semester units or 90 quarter units of degree-applicable courses,
- Minimum overall grade point average of 2.0,
- Minimum grade of "C" (or "P") for each course in the major, and
- Completion of IGETC and/or CSU GE-Breadth.

Students should consult a GWC counselor in order to select the best pathway to meet their educational goals. For students who intend to transfer, the choice of general education will be specific to both their major and transfer institution.

Recommended Program Sequence

These sequences are general course maps for students to finish all major and general education requirements for two-year completion of degrees, completion of short-term certificates, and/or fulfillment of transfer requirements. However, this may not be an appropriate path for all students. The two-year sequence is based on English and Math placement and meeting other course prerequisites. **Students are advised to meet with a GWC Counselor to review course selections and sequences to ensure that completion of this program will meet a student's transfer and career goals.**
