

# LIBERAL ARTS: EMPHASIS IN SOCIAL AND BEHAVIORAL SCIENCE, ASSOCIATE IN ARTS DEGREE

**Banner Code:** 2\_AA\_LASBS

**Control Number:** 19439

**Financial Aid Eligible**

This program is designed for students who desire a broad knowledge of liberal arts and sciences, plus additional course work in an "Area of Emphasis." This program would be an ideal choice for students planning on transferring to the California State University (CSU) or University of California (UC), as the student may satisfy their general education requirements plus focus on transferable course work relating to baccalaureate majors at these institutions. Because admission and major preparation requirements vary at each transfer institution, courses used to fulfill requirements for an emphasis should be selected with the assistance of GWC Counselor.

All courses included in this major are transferable to the California State University (CSU) system, and the majority are transferable to the University of California (UC) system. The courses, with the appropriate selections made, will meet major preparation for entry to baccalaureate degree programs in the Social and Behavioral Sciences fields.

## Program Level Learning Outcomes

1. Analyze human experience in the context of the larger society.
2. Compare social behaviors, change, problems, and policies in various settings.
3. Assess how findings and ideas in social science can be applied to explain phenomena and events that influence the larger society.
