The Costume Production and Wardrobe Technician Certificate will provide students with a course of study leading to certification and employment as a Costume Production and Wardrobe Technician and prepare students for occupational competency in educational, community and professional theater venues, theme parks, television and motion picture studios and special events.

## Program Level Learning Outcomes

Upon completion of this program, students will be able to:

1. Analyze a script, determine the costume needs, then execute a costume plot for actors in a live theatrical production.
2. Apply basic sewing techniques, clean and press costumes before and after performances, and make repairs for costumes as required in a live theatrical production.
3. Determine and execute basic theatrical wardrobe production practices including inventory control, wardrobe cleaning and storing techniques for a live theatrical production.
4. Plan and execute a costume quick change for cast members as required in a live theatrical production.
5. Create and present a resume, a portfolio and a job search plan for employment as a costume production and wardrobe technician.
6. View live theater productions, opera, symphonic, pop and classical music concerts and/or dance concerts to generate discussion and written critical evaluation.
