Academic Honors

The Honors List distinctions are automatically added to a student's transcript when GPA (grade point average) criteria (see below) are fulfilled within a specific semester. There are no applications to fill out and no fees to pay for these honors. These semester distinctions are not, however, sufficient to entitle students the privilege of wearing honors regalia at graduation (see Eligibility for Graduation with Honors), which are based on cumulative GPA at graduation.

- **President's List Notation:** The student completes 12 or more units of GWC coursework with letter grades and earns a **semester GPA of 4.0**.
- **Dean's List Notation:** The student completes 12 or more units of GWC coursework with letter grades and earns a **semester GPA of 3.50-3.99**.
- **Honors List Notation:** The student completes 6 - 11.9 units of GWC coursework with letter grades and earns a **semester GPA of 3.75-4.0**.

Alpha Gamma Sigma Honor Society

Alpha Gamma Sigma, established in 1922, is California's Community College Honor Society. The state organization schedules two conferences each year, awards thousands of dollars annually to outstanding AGS honor society members and provides a forum for academic excellence, student success, and community involvement on the California Community College campuses.

Eligibility for membership in the Sigma Pi Chapter at Golden West College is based on completing 12 or more graded college units at GWC, with a cumulative GPA of 3.0 or better. Membership is renewable each semester. Chapter dues and grade verification are required. Permanent membership is awarded to students completing 60 transferrable units from any California Community College, with two semesters of membership, and a cumulative GPA of 3.25 or better. Permanent members receive recognition on their GWC transcript and diploma and at the state level. All graduating AGS members in good standing may wear a gold AGS stole at the GWC graduation ceremony. The Sigma Pi Chapter at Golden West College recognizes academic achievement and promotes scholarship eligibility and transferability to four-year institutions.

Active AGS members practice leadership and organizational skills, initiate service programs for the campus and community, and develop networking, and interpersonal communication skills. Members meet weekly on campus during the fall and spring semesters. There are no scheduled meetings during intersession or summer.

Students must apply for membership during the first ten weeks of the fall or spring semester. AGS membership application forms, dues and grade verifications should be submitted to the GWC Bursars Office.
