* The College Service Charge provides services and benefits, which include OCC Bookstore buyback, Robert B. Students may present their request to waive the College Service Charge to the Student Life & Leadership Department prior to the earliest refund deadline for the student's enrolled classes.

** The Student Representation Fee is divided between the Associated Students of Orange Coast College (ASOCC) and the recognized statewide community college student organization, Student Senate of the California Community Colleges (SSCCC) to provide support for governmental affairs representatives from the two organizations who may be stating their positions and viewpoints before city, county, state and/or federal government. The Student Representation Fee cannot be used to support individual candidates or campaigns. Students have the right to waive this fee by submitting a request (<https://orangecoastcollege.edu/admissions-aid/enrollment/registration/fees.html>) to the Enrollment Center prior to the earliest refund deadline for the student's enrolled classes. For questions about the waiver, contact the Enrollment Center by email at arinfo@occ.cccd.edu or telephone at (714) 432-5072

Students who do not meet California residency requirements are required to pay a non-resident fee of \$381 per unit and a Capital Outlay fee of \$31 per unit in addition to the Resident fee of \$46 per unit, for a grand total of \$458 per unit.

All fees quoted are at time of publication and are subject to change without notice. The state legislature may increase enrollment fees at any time including current and future terms.
