

ECONOMICS (ECON)

ECON A100 3 Units (54 lecture hours)

Economics: General Concepts

Grading Mode: Standard Letter, Pass/No Pass

Transfer Credit: CSU; UC.

Provides the student with a general understanding of the concepts, principles, and methods of microeconomics and macroeconomics at the introductory level. May be taken for grades or on a pass-no pass basis.

ECON A110 3 Units (54 lecture hours)

Consumer Economics

Grading Mode: Standard Letter, Pass/No Pass

An applied approach to the problems and possibilities confronting the consumer in today's economy. Emphasis is placed on the development of skills in personal financial planning: decision making, use of credit and principles of saving and investment. Attention is given to the problems in housing, transportation, health services, and insurance. Issues of personal taxation, government regulation, and environmental protection are considered in relation to consumer interest. May be taken for grades or on a pass-no pass basis. Transfer Status: CSU.

ECON A170 3 Units (54 lecture hours)

Microeconomics

Prerequisite(s): MATH A010 or higher.

Advisory: MATH A030.
