

INTERN (ITRN)

ITRN A392 **1-4 Units (54-216 other hours)**

Internship Experience - Level 1

Advisory: Recent or concurrent enrollment in a course related to the student's identified major.

Grading Mode: Standard Letter, Pass/No Pass

Transfer Credit: CSU.

Supervised internship experience for the student who has identified a major area of study and/or a career path of interest. On-the job learning experiences will contribute to student's occupational and educational goals as well as develop both professional soft skills and technical skills. Internship may be either a paid or unpaid position. If a student wants to repeat the same internship with the same worksite, they must enroll in ITRN A393 and identify different learning outcomes. Graded or Pass/No Pass option.

ITRN A393 **1-4 Units (54-216 other hours)**

Internship Academy-Level 3

Prerequisite(s): ITRN A392.

Grading Mode: Standard Letter, Pass/No Pass

Transfer Credit: CSU.

Supervised internship experience for the student who has identified a major area of study and/or a career path of interest. On-the job learning experiences will contribute to student's occupational and educational goals as well as develop both professional soft skills and technical skills. Internship may be either a paid or unpaid position. This course is only for students who are continuing their same internship (from ITRN A392) with the same worksite; must identify different student learning outcomes. Graded or Pass/No Pass option.
