NETWORK TECHNICIAN, CERTIFICATE OF ACHIEVEMENT

Banner Code: 1_CM_ITNT
Control Number: 42116
Not Financial Aid Eligible

Completion of this certificate will enable students to acquire the skills needed by professionals in information and communication technologies to support the converged network that carries voice, data, image, and video traffic. This career is an emerging IT-related career that sees high demand and growth.

Program Outcome

Students who receive the Network Technician Certificate of Specialization will be able to design and implement a converged network.

Review Graduation Requirements (https://catalog.cccd.edu/orange-coast/graduation-requirements/certificates/#achievementtext).

Course	Title	Units
Required Courses		
CHT A110	PC Concepts: A+ Certification Preparation	4
CHT A191	Network and Communications Technologies	4
Total Units		**8**

Program Sequence

These sequences at Orange Coast College are curriculum maps for students to finish all requirements for the certificate. There may be advisories, prerequisites, or time requirements that students need to consider before following these maps. **Students are advised to meet with an Orange Coast College Counselor for alternate sequencing.**

Course	Title	Units
Year 1		
Semester 1		
CHT A110	PC Concepts: A+ Certification Preparation	4
CHT A191	Network and Communications Technologies	4
	Units	**8**
	Total Units	**8**

Additional Notations:

The two courses could be taken concurrently in one single semester since they are complementary. Students may take the CHT A110 class in the Fall or Spring semesters and then CHT A191 the following semester.
