Banner Code: 1_CN_MART

Control Number: 39134

Financial Aid Eligible

The Media Arts and Creative Entertainment Certificate program is a Career Technical Education specialty, designed for the student who wants a concentrated course of study in the field of acting/directing coupled with film and television production. It has been designed to introduce students to the skills necessary to create their own recorded media projects or prepare students for entry-level employment in the entertainment industry. Completion of this certificate will foster an understanding and appreciation of the various artistic and technical aspects of camera and narrative production. Students will be educated in performing, directing, storytelling, camera operation, event documentation, lighting, sound, post-production, and business practices. The required 12 units give the student a strong foundation, while the 5 elective units allow students to concentrate on their particular area of interest within this collaborative field.

Program Outcome

Students will be able to demonstrate competence as directors, performers, actors and technicians and possess a critical understanding of visual storytelling coupled with current and effective performance and directing techniques.
