

LANDSCAPE SITE DESIGN ELEMENTS, CERTIFICATE OF SPECIALIZATION

Banner Code: 1_CE_LSCP

Not Financial Aid Eligible

This program will prepare students for the complex task of developing residential landscapes with grading, drainage, materials, structures, lighting and other complex components that require a deeper knowledge base.

Program Outcomes

1. Students will be able to demonstrate fundamental skills in landscape design elements, process and techniques.
2. Apply their understanding of sustainable aspects to the development of landscape site design to promote green living environments.

Review Graduation Requirements (<https://catalog.cccd.edu/orange-coast/graduation-requirements/certificates/#specializationtext>).

Course	Title	Units
Required Courses		
HORT A286	Landscape Design Elements	2
