

MATH, SCIENCE AND ENGINEERING

The fields of math and science provide a foundation for furthering our understanding of the natural world in order to gain insights and make predictions about future change. There are several avenues for transfer to a four-year university within this pathway, and potential careers include **marine biologist, botanist, environmental scientist, pharmacist, ornamental horticulturist, and more.**

TYPES OF CLASSES & PROGRAMS

- Astronomy
- Biological Sciences
- Chemistry
- Ecology
- Engineering
- Geology
- Horticulture
- Marine Science
- Mathematics
- Natural Science
- Physics

PATHWAY SPECIFIC OPPORTUNITIES

- STEM/Science Night
 - Planetarium
 - Astronomy Club
 - Engineering Academy
 - Math Jam
 - JPL Engineering Internship
