The Dance certificate program trains students for positions in the commercial and artistic areas of dance. Students are able to apply principles of movement and creativity to all forms of dance, demonstrate skills of dance instruction through movement and verbal cueing, and apply information learned in other disciplines to the art form of dance.

Instruction will utilize both classroom work, using a variety of instructional methods (lecture, lab/demonstration, independent and group projects) and internship experiences in business/industry to prepare the student for job requirements.
