

FASHION STYLING & VISUAL DISPLAY, ASSOCIATE IN SCIENCE DEGREE

Banner Code: 1_AS_FSVP

Control Number: 44121

Financial Aid Eligible

The Fashion Styling & Visual Display Associate in Science will incorporate general education courses and major coursework to provide students with core skills in fashion merchandising concepts, fashion history, color theory, industry-specific computer programs, and sustainability. Students will also gain knowledge in directed skills related to visual presentation, creative production, fashion styling, and fashion photography. Upon completion, students will be prepared for transfer and/or entry-level employment in the fields of visual merchandising, styling, fashion marketing, and media production in the fashion industry and related businesses.

Program Outcomes

1. Students will have the general education breadth to transfer to applicable four-year programs.
2. Students will demonstrate a working knowledge of fashion styling for photoshoots.
3. Students will be able to plan, execute, and evaluate visual display strategies for retail environments.
4. Students will be able to develop and execute backend creative production processes.

Review Graduation Requirements (<https://catalog.cccd.edu/orange-coast/graduation-requirements/associate-degree/>) and General Education (<https://catalog.cccd.edu/orange-coast/general-education-patterns/>).

Course	Title	Units
Requirements		
FASH A110	Applied Textiles and Design	3
