

# COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Orange Coast College grants a maximum of 24 units for any combination of CLEP general exams and subject exams, using as minimum standards a score at or above 500 on the general exams and 50 on the subject exams, and 50 for all CLEP computer-based exams. CLEP scores count toward graduation requirements at OCC under General Education Option 1 or Option 2, and AS GE. CLEP credit may be used to certify general education requirements for transfer to the CSU only. The University of California does not grant credit for CLEP exams. CLEP scores must be submitted for evaluation directly to the college or university where the student requests credit. CLEP policies for each private or out-of-state four-year college may be found in their catalogs.

Students may request CLEP credit through Enrollment Services on the first floor of Watson Hall. Submission of official exam results is required prior to any evaluation and posting of credit.

The CLEP Chart is based on the most current information available. Although every attempt has been made to ensure the accuracy of the information provided, make sure to use the following link to verify the information: <https://calstate.policystat.com/policy/7800250/latest/>.

Course credit and units granted at Orange Coast College may differ from course credit and units granted by a transfer institution.

CLEP Exam	OCC Passing Score	OCC AA/AS GE Area	CSU Passing Score	CSU Semester Transfer Units
American Government	50	D1 (AA) / D (AS)	50	3

Western Civilization II	50	D2 (AA) / D (AS)	50	3

\*If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered "Level I" and earns six units of baccalaureate credit; **CLEP cannot be used for Cal-GETC.**
