

STUDENT RESPONSIBILITY & CAMPUS COMMUNICATION

OCC makes every effort to communicate important information in a timely manner. In an effort to minimize costs, OCC utilizes the Coast Community College District issued student email and targeted announcements posted in students' MyCoast portals as the official means of communication. Students are expected to check their MyCoast and student email account on a regular basis for important information about registration, grades, holds, and deadlines. Students are responsible for being aware of state-mandated and College deadlines and should verify all transactions.
