

# OFF-CAMPUS HOUSING

---

The Global Engagement Center is responsible for listing off-campus housing information for the campus including rooms for rent and homestay programs.

Homestay programs allow the student and host family to learn about each other's country and culture, see one's own country in a new light, and make new friends.

For further information, please visit <https://prod.orangecoastcollege.edu/services-support/gec/housing-and-homestay.html>.
