

# STUDENT SUCCESS CENTER

---

The Student Success Center offers free tutoring services to OCC students in most subject areas. Our services include one-on-one appointments, drop-in tutoring, study groups, and workshops. To access our services, students must enroll in our free, noncredit course TUTR 050. In addition, students in the following programs are eligible for weekly reoccurring appointments: ARC, EOPS, Equity, Guardian Scholars, MESA/STEM, PRESS, Puente, Umoja, TOPS, and Veterans. Students in these programs can ask their counselors for a referral form, and requests will be accommodated based on tutor availability.

The Student Success Center is located in C&L 103.

For more information: Call (714) 432-5559, Email: [successcenter@occ.cccd.edu](mailto:successcenter@occ.cccd.edu), or Visit our website (<https://orangecoastcollege.edu/services-support/student-success-center/>).
