

UCLA - TRANSFER ALLIANCE PROGRAM (TAP)

The Transfer Alliance Program with UC Los Angeles gives students priority consideration for admission to UCLA's College of Letters and Science (except for the Communications Studies major). Students participating in TAP learn more about UCLA through meetings with UCLA counselors, faculty and students. TAP students may use the UCLA Library and participate in cultural and athletic events on the UCLA campus. Students wishing to participate in the program first must be accepted into the OCC Honors Program (<https://catalog.cccd.edu/orange-coast/student-services/co-curricular-programs/honors-program/>).
